

Insurance

for students of the
University of Lodz
2026/2027

Students - take care of your
safety!

Single payment from just
48 PLN for the entire year.

The scope of protection includes, among others:

- injuries and trauma,
- fractures, concussion, sepsis, animal bites,
- traffic accidents - as a driver, passenger or pedestrian.

Personal accident insurance is valid:

- at the university and outside of it,
- at work, during lectures, exercises, holidays and vacations,
- while practicing sports - including competitive and selected winter sports.

Additional benefits:

- rehabilitation, dental treatment,
- purchase of a wheelchair,
- adaptation of a car or home to the needs of a disabled person.

Civil liability insurance in private life

It protects you when you unintentionally cause damage to someone else - including at university.

Additional civil liability insurance for internships and work placements

The insurance can be extended to cover internships in offices, public institutions or companies.

Voluntary personal accident and civil liability insurance for students of the University of Lodz **provides protection at the university, on the way to and from the university, during internships, and during free time, including abroad.**

- ▼ annual premium: **48 PLN or 85 PLN** (depending on the option)
- ▼ policy available online: unilodz.merydian.pl
